

# Where Should I Go For Care?

Choosing where to go for care depends on your symptoms. At AnMed Health, we have the right care for your condition, with over 50 locations across the Anderson, Clemson, Pickens and Hartwell areas, many offering extended hours and convenient, online appointment scheduling. Choosing the right type of care can also mean shorter wait times, helping you feel better faster.

## Primary Care

**864.512.3748**
